

Quizmittee notes 2

Action Items

- Talk to Tav (underway) (Done)
 - Ask about catering (Done)
- Ryan to talk to UWAnime (His liaison is looking into it)
- Elton to do EMP with Taylor and Jake (Not yet)
- Clubs to contact sponsors (Some done)
- Talk to committees about how much they want to front for prizes (Will do)
- Chris and Taylor to talk to Jordy about finances (Jordy is hunting stuff down)
- Start thinking about shit memes (Chris – That's my secret cap, I'm always thinking about shit memes)

Tav

- Been booked
- People can order food until 8pm
- Want to include platters for tables
- \$10-15 per platter. Can include cost on tickets
- All sound and visuals are provided
- Cost is \$300 for the night, UCC to front
- Say event starts at 6:00 so we can start the quiz at 6:30 and we can set up from 5:30
- Tav booked until close but can probably be there until midnight? Gotta clean up after quiz is over too.

EMP

- People are busy, Taylor will start doing it through her account

Sponsors/Prizes

- UniSFA has sent out emails. Still need to figure out how to spend money.
- Unigames has contacted Tactics (thanks Jen)
- UCC will probably need to get creative
- Panto will be giving out show tickets
 - Best used for in between rounds games
- Panto will also do the loser's (or wooden spoon) prizes
- Will likely want committees to spend \$50 on prizes
- Need at least 24 main prizes for winners and then other prizes for table rounds and games and such
 - Lesser prizes can be foods or magic boosters etc.

Questions and Rounds

- Ryan has made a google doc
- Looks like the Judges/MCs will be Jake, Taylor, Ryan and Jono

Logistics

- Can fit up to 250 people at tables
- Expecting between 120-150
- Costing estimates have been done at 120 people
- Security hire \$168 for 1 guard
- Event hire \$300
- Prizes can be \$50-100 per club
- Food platters will be \$30 per table
- Last year prices were \$10/person or \$70/table
- This year with the food included we would like to do \$15/person \$100/table
- Our most modest estimate of profit is \$382-\$682 with 120 people paying per table. This should be higher.

New Action Items

- Taylor, Elton and Jake to EMP
- Ryan, Jono, Jake and Taylor to start rounds/questions
- All to get onto prizes/sponsors
- Jordy to get back to Taylor and Chris about remaining finances
